## **APPLYING FOR VOTER REGISTRATION WITHOUT A DEPUTY REGISTRAR**

### **REGISTRATION APPLICATION FORM**

In Illinois, a one-part form is used as a voter registration application. **This application form is NOT to be used by deputy registrars.** The one-part form is an *application for registration*. It is used in some State agencies and can also be used as a mail-in application for registration. This form is also available on the State Board of Elections website at [www.elections.il.gov](http://www.elections.il.gov). (SBE Rule 216) [10 ILCS 5/1A-16(a)(3)]

### **ONLINE VOTER REGISTRATION**

The State Board of Elections maintains a system for online voter registration on our website ([www.elections.il.gov](http://www.elections.il.gov)) that permits a person to apply to register to vote or to update his or her existing voter registration. This system verifies provided information with the Secretary of State database. If all information matches, the voter's signature is pulled from the Secretary of State file and forwarded to the correct election authority along with the provided information. Online voter registration is available to anyone having a valid state of Illinois issued driver's license or State ID card. As per PA 99-0522, applications for voter registration filed on the SBE's website will be considered timely filed if submitted through the 16<sup>th</sup> day prior to an election. (10 ILCS 5/1A-16.5)

### **GRACE PERIOD REGISTRATION**

Grace period registration is an extension of the regular registration deadline. Grace period registration authorizes each election authority to establish procedures for the registration of voters and for change of address during the period from the close of regular registration for an election through Election Day. Although the traditional voter registration period closes 28 days prior to the election, grace period registration extends that deadline from the 27<sup>th</sup> day prior to an election through Election Day itself. Grace period registration is only available "in-person" at sites designated by the election authority. This extension is only available through the election authority, not through the deputy registrars. (10 ILCS 5/4-50, 5-50, 6-100)

## **APPOINTING DEPUTY REGISTRARS**

Illinois statute provides that election authorities (county clerks and boards of election commissioners) shall appoint all municipal, township or road district clerks (or their deputies), and precinct committeemen as deputy registrars who may accept the registration of all qualified residents of the State. Registration at these offices is closed during the **27 day period before any election**. [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

All deputy registrars must be registered voters within the county. Exception: All deputy registrars sworn in by a board of election commissioners must be registered voters within that city. (10 ILCS 5/4-6.2, 5-16.2, 6-50.2, 6-59.1)

### **HOW TO BECOME A DEPUTY REGISTRAR**

UPON WRITTEN REQUEST, the following may make application to their election authority to become deputy registrars: [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

- Chief librarian or their designee;

- Principal or their designee of a high school, elementary school or vocational school;
- President or their designee of a university, college, community college, academy or other institution of learning;
- Officials or their designees of bona fide labor organizations;
- Officials or their designees of bona fide state civic organizations as certified by the State Board of Elections;
- The Director of Healthcare and Family Services or their designated employees\*;
- Illinois Department of Employment Security Director or their designated employees\*;
- President of any corporation as defined by the Business Corporation Act of 1983 or their designated employees.

*\*These two agencies may only accept the registration of any qualified resident of the county in which such offices are located. All other registrars may accept the registration of all qualified residents of the entire State.*

Election authorities may require that any designee requesting to be appointed as a deputy registrar file a letter or signed statement of authorization from the designating officer of the organization. This letter is to be kept on file in the election authority's office.

#### **“REASONABLE NUMBER” OF APPOINTMENTS**

Each election authority must appoint all individuals who qualify, except that an election authority may limit the appointments of individuals affiliated with labor organizations and civic organizations to a “reasonable number.” [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

In no event may an election authority fix an arbitrary number applicable to every civic organization requesting appointment of its members as deputy registrars. The number of registrars from a state civic organization will vary across the State depending upon the number of unregistered citizens among the voting age population in the jurisdiction and other factors such as:

- Population of the jurisdiction
- Size of the organization
- Geographic size of the jurisdiction
- Convenience to the public
- The location of existing deputy registrars
- Existing number of deputy registrars in the jurisdiction
- The need to appoint deputy registrars to assist with the registration of non-English speaking individuals
- The goal, in terms of registration activities, of the organization

If any request to be appointed as a deputy registrar is denied, the election authority shall, within 10 days after the date the request is submitted, provide the affected individual or organization with written notice, setting forth the specific reasons or criteria relied upon to deny the request. [10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(7)]

The election authority may appoint as many additional deputy registrars as are considered necessary and shall appoint such additional deputy registrars in such manner that the convenience of the public is served, giving due consideration to both population, concentration and area. Some of the additional deputy registrars shall be selected so that there are an equal number from each of the two major political parties in the election jurisdiction. The election authority, in appointing an additional deputy registrar, shall make the appointment from a list of applicants submitted by the

Chairman of the County Central Committee of the applicant's political party. A Chairman of a County Central Committee shall submit a list of applicants to the county clerk by November 30 of each year.

[10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)]

### **LENGTH OF APPOINTMENT**

Appointments of deputy registrars, except precinct committeemen, shall be for 2-year terms commencing on December 1 following the general election of each even-numbered year, except that the mid-term appointments shall be until December 1 following the next general election. Appointments of precinct committeemen shall be for 2-year terms commencing on the date of the county convention following the general primary at which they were elected. Organizations need to seek reappointment for their members if they want their members to continue serving as deputy registrars once the original appointment has expired. **It is suggested that election authorities notify the organizations of this need to re-apply.**

(10 ILCS 5/4-6.2, 5-16.2, 6-50.2)

### **STATEWIDE VOTER REGISTRATION**

Most appointed deputy registrars may accept the registration of any qualified resident of the State of Illinois. All deputy registrars may accept registrations at any time other than during the **27 day period before any election**. Deputy registrars must return their completed registration materials to their own appointing election authority. The appointing election authority shall then transmit the completed registration materials for persons residing outside their jurisdiction to the election authority of the person's jurisdiction of residence within two days. (10 ILCS 5/4-6.2, 5-16.2, 6-50.2)

### **CIVIC ORGANIZATIONS**

Civic organizations seeking to engage in voter registration activities must file an application with the State Board of Elections for certification as a bona fide State civic organization. Those organizations seeking certification must make application no later than 90 days prior to the election for which they wish to register voters. All organizations meeting the qualifications will be certified within seven days from the date the application is received by the State Board of Elections. If an application is denied, the organization may appeal the decision at a public hearing. A certification letter is sent to the organization and a copy of the certification letter is sent to the appropriate election authority. Certified organizations seeking to have members appointed as deputy registrars must then submit a request in writing to the appropriate election authority, providing the name, address and phone number of each person being appointed. A copy of the organization's certification should be attached to this letter.

[10 ILCS 5/4-6.2(a), 5-16.2(a), 6-50.2(a)] (SBE Rule 207.50)

### **LABOR ORGANIZATIONS**

Labor organizations seeking to engage in voter registration activities must make application with the appropriate election authority and the request must be in writing. Labor organizations **DO NOT** need to be certified by the State Board of Elections. Only bona fide labor organizations are authorized to participate in voter registration activities. A bona fide labor organization is one in which employees participate and which exists at least in part to deal with employers concerning wages, working conditions, labor disputes, grievances or related matters.

(10 ILCS 5/4-6.2, 5-16.2, 6-50.2)

## **ORGANIZED VOTER REGISTRATION EVENTS**

It is recommended that organizations intending to conduct a major voter registration drive or “shopping mall” type of registration event contact their election authority for guidance. Political parties having certified civic organization status must not conduct voter registration activities at political functions. Voter registration activities must be organized as separate and distinct functions by all organizations. **Any type of electioneering or campaigning while conducting voter registration activities is strictly prohibited.** Note that voter registration cannot take place where any alcoholic beverages are being served. [10 ILCS 5/4-6.2(e), 4-7, 4-28, 5-16.2(e), 5/5-17, 5-39, 6-31, 6-50.2(e), 6-78]

Any person who knowingly gives, lends or promises to give or lend any money or other valuable consideration to any other person to influence such other person to vote *or to register to vote* or to influence such other person to vote for or against any candidate or public question to be voted upon at any election shall be guilty of a Class 4 felony. (10 ILCS 5/29-1)

## **TEMPORARY PLACES OF REGISTRATION**

Election authorities may establish temporary places of registration. A notice of the times of operation and locations of temporary places of registration must be published not less than 3 or more than 15 days before the holding of such registration. These temporary places of registration must be staffed by employees of the election authority or by deputy registrars. [10 ILCS 5/4-6.1(2), 4-6.3, 5-16.1(2), 5-16.3, 6-50.1(2), 6-50.3]

## **TRAINING OF DEPUTY REGISTRARS**

Illinois statutes provide that the training of deputy registrars be under the direction of the election authority. All training programs are designed to inform deputy registrars of their duties and responsibilities and include instructions relevant to the proper completion of the voter registration forms. Only the registration forms authorized by Illinois statute are to be used by deputy registrars. See page 6 for more detailed information about registration record forms.

Upon completion of training, the election authority issues a certificate to each deputy registrar. The election authority also maintains a file of all appointed deputy registrars and must make a list of these appointments available for public inspection.  
[10 ILCS 5/4-6.2(a)(b), 5-16.2(a)(b), 6-50.2(a)(b)]

All deputy registrars are required to take and subscribe to the following oath or affirmation:

*“Deputy Registrar Signature”*

This oath is administered by the election authority or his/her deputy, and is filed with the election authority.

## **REGISTRATION RECORD CARDS**

All voter registration materials are to be provided in a sufficient number by the election authority. In determining the number of forms to be issued to a deputy registrar, consideration should be given to the plan or goal of the registrar or organization and also to the size of the jurisdiction of the registrar.

Deputy registrars are required to use the two or three-part form in taking registrations. As part of the registration process the registrar must see two forms of identification, witness the signature of the applicant and sign the application in the space provided.
