

**TAZEWELL COUNTY MCKENZIE BUILDING**

**OPEN TO PUBLIC**

June 1, 2020 – Pekin, Illinois. The Tazewell County McKenzie Building located at 11 S. Fourth Street will be open to members of the public that have official business with the County effective Monday, June 1, 2020.

Members of the public will be required to enter the building on Fourth Street and have their temperatures checked by a County official and complete a health screening prior to being allowed access to the building.

No person will be allowed access to the McKenzie Building if you have:

- a) A temperature of 100.5
- b) Flu-like symptoms or illness, including, but not limited to, fever, cough or shortness of breath;
- c) Been diagnosed with Covid-19, or someone close to you has within past 60 days.
- d) Been directed to quarantine, self-isolate or self-monitor at home by a medical provider;
- e) Traveled within past 21 days to any country designated by the CDC as a high-risk location for Covid-19, or had close contact with anyone who has, within past 21 days.

Members of the public are encouraged to use online services, postal mail, drop boxes and/or conduct their business by phone if possible.
